# iON Learning Exchange for Learners

# BE in Charge!

Curriculum is the base, what you do with it shapes your career and future. Build on your education, understand the intricacies of what you have learnt, and apply it to real life. In doing so, you take charge of your growth and attain that “X” factor which will ensure you stay ahead of the competition – All with iON Learning Exchange.

As a member of this learning community, what can you do?

Here are some ideas (though you can create some of your very own to add to these!)

## Resources for Study

Power the curriculum based learning through a vast bank of additional study materials. You can choose from resources uploaded by your teacher or choose from the repositories available on Learning Exchange.

So, with iON Learning Exchange you can –

- Access study resources based on subjects, chapters
- Use study notes, exercises, charts, pictures, videos, presentations, glossaries, lab manuals, guides and e-books
- Choose from various available formats including PDFs, videos, audio files
- Download the study resources for studying at convenient intervals or study online
- Discuss the topics with your peers and faculty who are part of your community
- Make a request for resources you wish
- Facility to upload additional resources you wish to share with your peers
- Become a green enthusiast by reducing print

iON Learning Exchange – for Power Packed Learning

## Solved Question Papers

Banish the exam fear. Learning Exchange gives you the power of perfection aided by thousands of solved questions.

iOn Learning Exchange Offers -

- Past question papers with validated solutions
- Solved papers for all subjects and streams.
- Forums to discuss the question papers and solution doubts
- Compare your performance with your peers

Try the questions, test your answers and validate your understanding. Exam success is simply a result of practice!

iON Learning Exchange – Questions so you have Solutions!

## Assessments

Have you mastered the subject you have just learnt? It is the foundation for success in final exams and placement.

Through iON Learning Exchange you can:

- Test yourself through the subject-wise, chapter-wise or even topic-wise assessments
- Access assessments your teacher posts
- Choose from the assessments Learning Exchange provides.
- Get instant feedback about what you did well and what you did not.
- Compare your performance with others
- See scores of earlier attempts
- Choose to repeat the tests till you reach the desired score.

iON Learning Exchange – Mastery and not just Scores!

## Mock Tests

Test your curriculum knowledge using the mock tests on Learning Exchange. Mock tests replicate the actual exams in terms of the paper structure and time. The tests help for constant improvements – so you are prepared when the actual test takes place.

With iON learning Exchange you can –

- Access and take up hundreds of mock tests (both by your instructors and publishers)
- Track your pace and timing
- Pinpoint weak areas for improvement
- Get comprehensive feedback
- Plan for your final exams
- See scores of earlier attempts
- Practice till you reach the desired score
- Discuss with your peers and instructors

iON Learning Exchange – Mock Tests so you are Exam Ready!

## Prep & Aptitude Tests

Tests and your performance are a full time job as you shape your aspirations. Learning Exchange can be your ally to best your performance. Take the tests and stand confident about your skills to go for career of choice.

iON Learning Exchange provides you with -

- A complete range of prep tests and aptitude tests are easily accessible at one place.
- Validated sources of the tests
- Available test options cover entrance exams, competitive exams, Olympiads, etc.
- Complete item wise feedback
- Track your time and performance to plan tests better
- Unlimited attempts at tests
- See scores of earlier attempts

iON Learning Exchange – Prep Tests so you can Aspire High!

## Peer Connect

Group study works! With Learning Exchange extend group study to a larger group of your friends and peers as you all work towards your goals. Communities feature of Learning Exchange allows you to interact and stay tuned. Get together to discuss tough topics, sticky issues, exam papers, ask doubts, seek clarifications or simply hang out!

iON Learning Exchange allows you to:

- Access academic and interest communities of like-minded peers
- Reach out to others to discuss curriculum related issues and doubts
- Collaborate around research and project work
- Work together in cracking exam papers
- Discuss/drive institution events, trips and contests
- Undertake surveys or polls for issues of importance
- Create wikis of academic interest
- Build hobby groups

iON learning exchange – Peer Communities as Cheerleaders

## Faculty Connect

A teacher is the anchor to any learning process. A mentor, a facilitator and a role model – you look up to your teacher in so many different ways. iON Learning Exchange allows you to be connected to your teachers through the various communities and course tools.

With iON Learning Exchange you can be connected with your instructors for

- Asking doubts and seeking clarifications
- Assistance in project work
- Exam preparation and discussions
- Curriculum related plans
- Class activity schedule discussions
- Class wise or subject wise communities

iON learning exchange – Guidance from the Masters

## Experts Connect

To reach out to your goals, you may need guidance of several people. iON Learning Exchange brings all such experts at one place in community environment, so you can reach out to them easily.

iON Learning Exchange brings to you

- Subject experts – who can offer you specialized guidance on complex problems related to your subjects
- Career experts – who can counsel you about the choices you make and how you can move ahead in life
- Personality experts – who can help your grooming and build personality traits required for success
- Health experts – who can help you beat stress, stay fit and fine
- Industry experts – who can offer you insights into various industries
- Placement experts – who can guide you on placement processes and requirements

iON learning exchange – Experience, Experience

## Projects

Projects are an important criteria of academic excellence and contribute towards your career path. iON Learning Exchange can help create project successes.

iON Learning Exchange allows you to-

- Build project communities where your project team mates can work together
- Ideate and discuss tasks relevant to projects
- Create calendars of important project activities and milestones
- Upload media relevant to projects as you build towards a collective report
- Discuss and clear up doubts
- Upload project manuscripts for team members to review and collate
- Create a final project manuscript and retain copy before submission to teacher
- Maintain a record of all interactions as a learning mechanism for future reference

iON learning exchange – Power of Group Work

## Assignments

Assignments are part and parcel of a student file. Assignments created by teachers as part of the lessons can be accessed at scheduled time.

Using iON Learning Exchange you can

- Access assignments posted by your instructor
- Work on the assignments online or offline (by downloading the assignment)
- Submit the assignments online or offline
- Connect with instructor for any clarifications
- Get feedback for assignment
- See the graded results of the assignment

iON learning exchange – Assignments, not Chores

## Curriculum Lessons

Lessons are the core of your learning and iON Learning Exchange supports it with strong learning management capabilities.

With iON Learning Exchange you can –

- View the course calendar
- Access and view the lesson plan and syllabus
- View lesson content that can be multiple formats such as PDFs, and video or audio files
- Download lesson content for reading and revision
- Be aware of the planned assignments and submit them as per schedule
- See and download your summary of scores across various activities set by teacher
- Connect with your instructors and peers for any clarifications

iON learning exchange – Learning Excellence Delivered

## Certification Courses

Differentiation is the key and iON Learning Exchange provides you avenues to stand out in a crowd. In addition to you regular curriculum related lessons, Learning Exchange offers courses that add to your career value and help you ace placements.

Here is what's on offer at iON Learning Exchange:

- Full-fledged certification courses from validated sources
- Certificate provided with TCS iON credentials
- Wide range to choose from – skill based, curriculum based, career skills, and emerging programs
- Courses at nominal rates so students can benefit from the same

iON learning exchange – Charting Professional Competence

## Build Portfolio

With multiple options for mastery, iON Learning Exchange provides you with the perfect opportunity to build your own portfolio

You can do this by:

- Creating your profile on Learning Exchange
- Showcasing your assignments
- Providing project reports and interactions summary
- Record of your assessments, mock tests, prep and aptitude tests
- Summary report of your scores
- Showcasing your team spirit through the discussions you have participated in
- Making a presentation of all the above said accomplishments as a portfolio

## LX Corps

Thirst to share your knowledge and creativity? iON Learning Exchange provides you with the platform to quench it. Join the iON Learning Exchange “LX Corps” force and make a difference to how others see you.

What does this program allow you to do –

- Share your knowledge with others who do not have access to it – it could be a simple chapter you have learnt, a video of how to create a project, steps of an experiment or simply videos of school subjects like math or language
- Use Learning Exchange to spread best practices like health, hygiene, safety and cleanliness and general issues pertaining to the youth (curated by experts)
- Initiate contests like quizzes, debates
- Be ambassadors of experiential learning

## Research

Research is an integral part of academic activity in higher education space. Complex research issues require inputs from multiple sources. In the brick world it could be expensive and time consuming. However, iON Learning Exchange provides you with hassle free tools for research.

With iON Learning Exchange you can

- Access knowledge repositories for research
- Connect with peers, instructors and experts for research assistance and discussions
- Use surveys or polls to gather insights and inputs

- Submit research reports for review in your communities
- Be ambassadors of experiential learning

## Hobby Club

What's student life without a bit of fun! Take some time off and cultivate hobbies – these will serve you well in times of stress.

With iON Learning Exchange you can –

- Join communities of your interest
- Engage in discussions around your hobbies
- Create contests around your hobby (eg. Photography contests, Writing contests)
- Invite experts or specialists in the area to share their inputs

## Elections

Student elections make for unforgettable experience. Campaigns, posters, slogans, and finally elections and then results.

iON Learning Exchange can take the entire process into a virtual space.

With iON Learning Exchange you can –

- Share your profile as a contestant with members of the institution
- Upload videos of your ideas, goals and plans
- Share election as an event
- Upload posters
- Create survey of issues members feel are critical so you can include them in campaign
- Initiate debates with other contestants
- Highlight your achievements using multiple tools like media, blogs and bytes and communicate
